

IMAC IT SUB-COMMITTEE PROJECT PRIORITIES

Created on 01/02/03 5:05 PM

<u>PR # *</u>	<u>BEGIN DATE</u>	<u>END DATE/REPORT</u>	<u>IMAC – IT CONTACT</u>	<u>PROJECT NAME</u>	<u>BRIEF NARRATIVE/COMMENTS</u>	<u>NEXT STEPS/STATUS</u>
1	08/08/02		Debbie Bigler/ Jacaie Coutant	IMPROVE COMMUNICATION PROCESS REGARDING CARES RELATED CHANGES	Determine what means of communication are effective (and not) in providing appropriate and timely information to interested parties.	12/12 and 12/26 – updated document and distributed 11/14 – Work team will make formal recommendations as to what items (from Amy’s list) should be modified or deleted. 10/10 - A prioritized list for communication methods was reviewed with Amy Mendel-Clemens.
2	08/08/02		Jim Jones (Evie Ryan- Tondryk is lead as of 12/02)	IMPROVED DRIVER FLOWS	Driver flows – to be more precise with questions in interactive interview based on programs requested. This is a project that is on the CARES to do list – not actively working on this. Will need to look at this in relation to other priorities.	12/12 – Project on hold, being transferred to DHFS for next steps 11/14 – EP workgroup (Tricia Janssen) to present to IMAC IT at 12/12 meeting.
3	10/10/02		Debbie Bigler	CARES “WISH” LIST AND HOW TO KEEP AGENCIES INFORMED	Develop a plan that provides for appropriate information sharing to interested parties related to desired/planned changes in CARES. Try to ensure local agency input into the about work planned in CARES.	12/12 – Debbie reviewed updated lists and will continue to consolidate/prioritize (focus on short-term, priority needs) 11/14 – Debbie will continue to update/refine the lists
4	08/08/02		Jacaie Coutant Sara Pynnenberg Amy Mendel- Clemens	WORK WITH FS ERROR REDUCTION IMAC SUB- COMMITTEE ON ALERTS	Work with FS Error Reduction sub-committee to review, catalog, update and/or delete CARES alerts. IM Find Feature	10/10 – Mike provided an update and asked for the IMAC IT team to review suggestions and actively participate in a workgroup on alerts.
5	9/12/02		Tony Sis	PROVIDE GUIDANCE TO COUNTY/WORKER AGENCIES ON MINIMUM HW/SW STANDARDS REQUIRED TO RUN STATE SUPPORTED APPLICATIONS	Working with BITS, BIS and the CARES development team create a list of hardware, software and communication (connectivity software, browsers, etc.) necessary for county workers to utilize State implemented applications now and in the foreseeable future. Track use of existing tech. to ensure we don’t obsolete in use tech. (printers). ID contractual requirements.	12/12 – Bob to work with Tony and key BITS/BIS? personnel to begin to define requirements. Note: IMAC IT and W-2 IT subcommittees will collaborate on this effort. 10/10 – Tony agreed to take the lead on this project – details TBD but the whole group agrees it is a good project to pull together.
6	08/08/02		Amy Mendel- Clemens	CARES NOTICE IMPROVEMENTS	Notice improvements in CARES.	10/10 - No activity to date.
8	09/19/02		Bob Martin/ Liz Green (C&I)	CHANGE CENTER REQUIREMENTS DEFINITION	Determine requirements for a “centralized,” “shared” change center for use by counties throughout the state. Work with C&I.	11/14 – Small workgroup will monitor Dane and Milw. County efforts 10/10 – High priority beginning with 11/14 mtg. 9/19 - Assigned to team at 9/19 IMAC.
8	08/08/02		Laurie Teubert	ADVISORY CONTRIBUTOR TO THE DATA EXCHANGE IMPROVEMENT COMMITTEE(S)	Improve the Data Exchanges in CARES by working with Sara Pynenberg and Vicki Jessup’s workgroup.	10/11 - Current plan is to finalize business requirements during December – February. IT sub-committee to be posted. 8/8 – IT subcommittee will monitor/work as advisors to the staff working on improving the process
8	08/08/02		Mike McKenzie Jacaie Coutant	ADVISORY RESPONSIBILITY TO CARES ENHANCEMENTS – FS QC IMPROVEMENT EFFORTS	Modify CARES to reduce eligibility errors, including: <ul style="list-style-type: none"> count W-2 income/companion cases count SSI income (SSI auto-update 1/10/03 production) update CARES with child support income – phase II. 	10/10 – Mike provided group with an update and asked for ongoing input. SSI auto-update scheduled for production. Next steps TBD.
8	08/08/02		Jim Jones	IMPROVE MA DEDUCTIBLES PROCESS	MA Deductibles – too much work tracking bills every six months. Current plan to apply new methodology developed for Senior Care to all deductibles – as a first step, need estimate of scope, timing for the project.	10/10 - No activity to date by IMAC IT, but understand there is an effort to improve the process

* Priority (PR) #'s = item #8 are “ongoing” projects and #88 are “completed” projects. #99 are “on hold”.
